

Glenwood Fall Bazaar 2026

Vendor Information

Greetings to new and returning Glenwood Fall Bazaar vendors!

Hosted by the Glenwood Homemakers again this year, we are looking forward to providing a family-friendly opportunity for shoppers to purchase and vendors to sell some awesome goods! As in the past, the Homemakers will be selling breakfast and lunch items, always a hit with shoppers and vendors!

The Bazaar will be held in the Glenwood School gym and commons area (320 N. Bunnell St., Glenwood, WA 98619) on Saturday, October 3, 2026, from 9:00AM-3:00PM. Vendor set-up will begin at 7:00AM. **The Bazaar ends at 3:00 and we ask that vendors don't pack up before that time.**

Two sizes of booths are available: 8'x7' for \$15 and 8'x14' for \$25. **Please bring your own tables.** Proceeds will be used by the Glenwood Homemakers in supporting Glenwood School educational projects.

Wi-Fi should be available. Cell service can be spotty. Please plan accordingly.

Direct Sales consultants are welcome; however, only one consultant per company will be accepted, first-come, first-served.

Registration for political campaigns will not be accepted.

There will be a silent auction table, with proceeds supporting Glenwood School educational projects. Donated auction items from vendors will be gladly accepted but donation are definitely optional. The auction will close at 3:00, with winning bidders announced.

Please return completed application forms by Monday, September 21, 2026, to Marlis Dewey, PO Box 44, Glenwood, WA 98619 or email to tmdewey@msn.com. Checks payable to Glenwood Homemakers may be mailed with your registration form, or you may pay with cash or check at the door on the day of the event. (Registrations received after 9/21/26 may not be accepted, depending on space limitations.)

We would really appreciate your help in advertising this event – social media, personal contacts, etc.

For questions or additional info, please contact Marlis at tmdewey@msn.com or 360-921-2333.

Thank you!

Co-Chairs:

Marlis Dewey
